Literature Circles: CONNECTOR

Name:_____ Date:_____

Book:_____ Pages or Chapters:_____

Connector: Your job is to find connections between the book you are reading and the outside world. This means connecting what you read with your own life, to what happens at school or in the community, to similar events at other times and places, or to other people or problems. Once you have written down your answer, you will be sharing your experiences with the class during our discussion day.

Describe the part in the book, and then explain your connection.
